Zschortauer Straße 42 • 04129 Leipzig • Germany

## CERTIFICATE OF FACTORY PRODUCTION CONTROL

CE No. 1034 – CPD – 1677/1/2013

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction products

### Pine Plywood (Radiata Pine)

according to the performance characteristics for wood-based panels for use in construction, as presented on page 2 of this certificate

produced by the manufacturer in the factory located at

**CMPC Maderas S.A.  
Planta Paneles  
Mininco  
Chile**

are submitted by the manufacturer to the initial type-testing of the product and a factory production control and that the approved body HFB has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control (system 2<sup>+</sup>). This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the standard

**EN 13986 : 2004**

were applied.

Particular information with regard to the performance characteristics of the construction product are given in the manufacturers accompanying technical file.

This certificate was first issued on April 15<sup>th</sup>, 2013, and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.

The validity of this certificate will be confirmed by the certification report issued every six month by the certification laboratory.

Leipzig, April 15<sup>th</sup>, 2013

.....  
Dipl.- Ing. L. Roewer  
Head of Certification Laboratory
